

3M™ Cloth Gaffa Tape 1910C
Product Information

Versatile
and **Reliable**
Maintenance Solutions

Versatile & Reliable Maintenance Solutions

3M™ Cloth Gaffa Tape 1910C is the tape you can trust to seal, mask, hold, patch, reinforce and repair. An essential product for everyday use, this multi-use tape tears easily, applies smoothly and sticks fast to many surfaces.

High adhesion and easy unwind makes 1910C ideal for bonding carpet edges in conference centres

3M™ Cloth Gaffa Tape 1910C offers you the following benefits:

- Cost Effective tape that is available on 50m rolls
- Saves time with easy tear and easy unwind rolls with low tack edges
- Multi-purpose tape with high adhesion and strong waterproof cloth backing that enables this tape to be used in a wide variety of applications

Conformable waterproof backing for general maintenance applications

Technical Data		Preliminary			
Product Description	Cloth tape with film fabric and rubber based adhesive				
Product Construction	Backing	Adhesive	Colour	Roll Length	Roll Width
	Polyethylene coated cloth scrim	Rubber	Silver	10m 50m	48mm
Typical Physical Properties	Note: The following technical information should be considered representative only and not used for specification purposes.				
				ASTM Test Method	
	Adhesion to Steel		106N/100mm	D-3330	
	Tensile Strength		197N/100mm	D-3759	
	Thickness		0.15mm	D-3652	
	Temperature use range		Up to 50°C		
Shelf Life	To obtain best performance, use this product within 12 months from date of manufacture and store under normal conditions of 16 to 27°C and 40 to 60% R.H. in the original carton.				
Application Ideas	<ul style="list-style-type: none"> • Seaming Carpet padding, taping down electrical cords and hinging poster board panels • Hanging polyethylene sheeting, industrial masking and sandblast overspray protection • Patching, reinforcing, bundling, moisture proofing, sealing, temporary repair • Taping and splicing insulation 				
Features		Advantages		Benefits	
	Low tack roll edges	<ul style="list-style-type: none"> • Tape edges stay cleaner 		<ul style="list-style-type: none"> • Less surface contamination, less waste 	
	Individual roll wrap	<ul style="list-style-type: none"> • Preserved integrity of the roll • Easy Identification 		<ul style="list-style-type: none"> • Less waste • Correct product used 	
	Polyethylene coated cloth scrim	<ul style="list-style-type: none"> • Resists moisture • Conformable • East unwind • Easy hand tear • Straight tear line • Good tensile strength 		<ul style="list-style-type: none"> • Prolongs tape bond • Applicable to irregular surfaces • Less user strain • Easy to apply • Tape can be torn to various widths to fit application • Provides a good seal 	

This Industrial Tape and Specialties Division product was manufactured under a 3M quality system registered to ISO 9002 standards.
