

Scotchgard™ Anti-Slip & Surface Protection Film

Scotchgard™ Anti-Slip & Surface Protection Film is designed to protect stone and vinyl flooring as well as bathroom surfaces from the everyday challenges they are subjected to. This protective film reduces the number of stripping and recoating events a surface requires.

Scotchgard™ Anti-Slip & Surface Protection Film is compatible with standard floor cleaning procedures and products. It has a P4 slip rating making this a high traction product. It can be applied to waxed vinyl, sealed concrete, marble, ceramic tile, terrazzo and more.

Typical uses: Building entrances, airports, underneath chairs and furniture, rolling beds, cafeteria lines and dining areas, retail aisles, bathroom surfaces and floors, classroom chairs and more.
